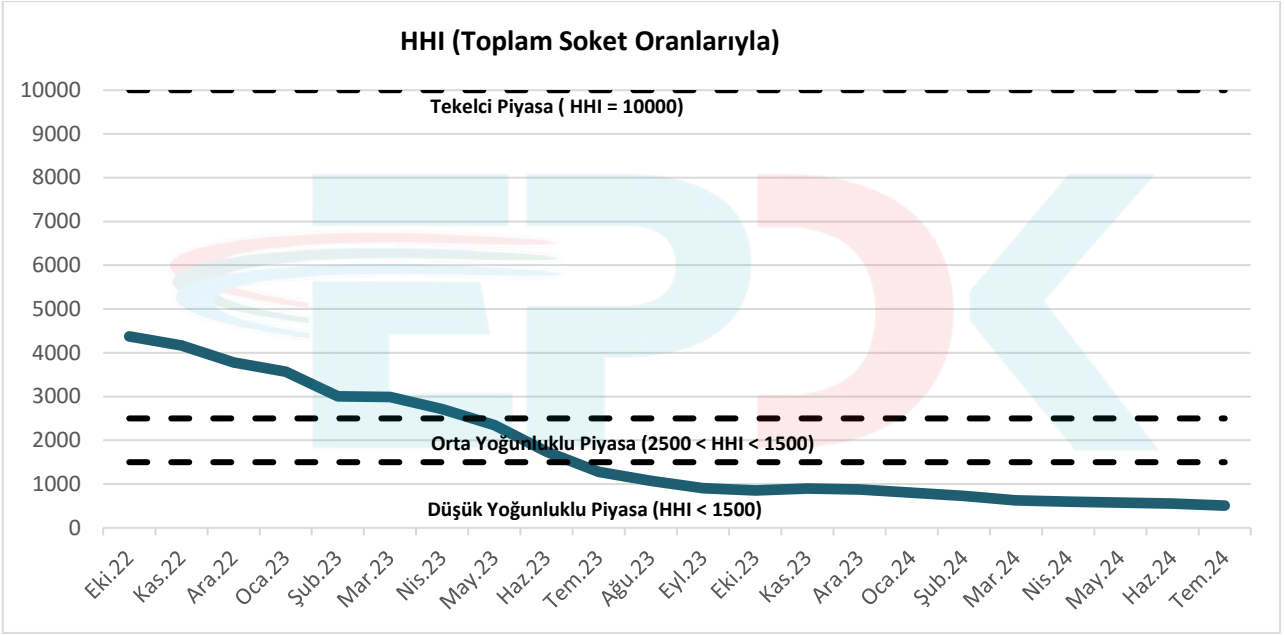
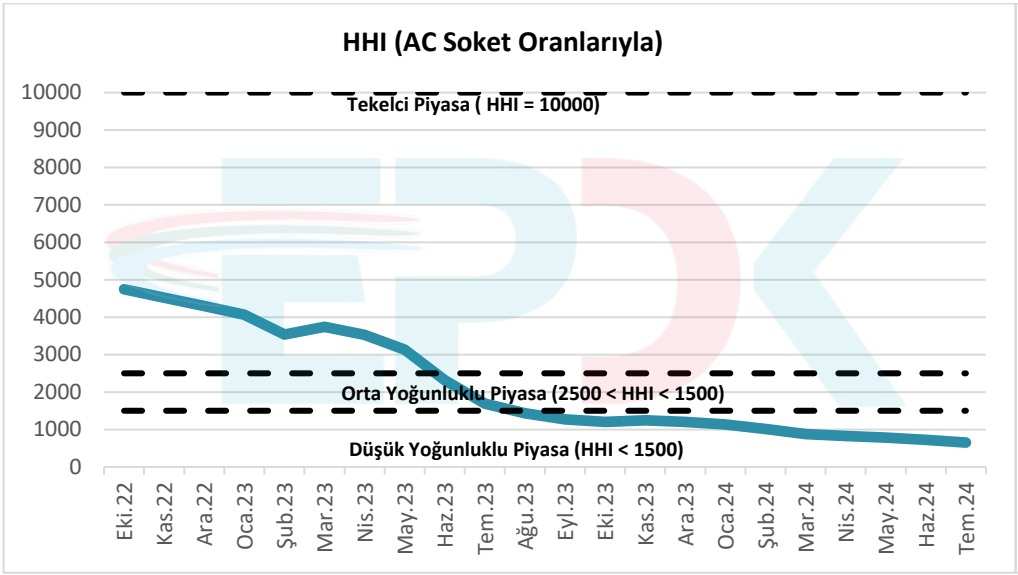
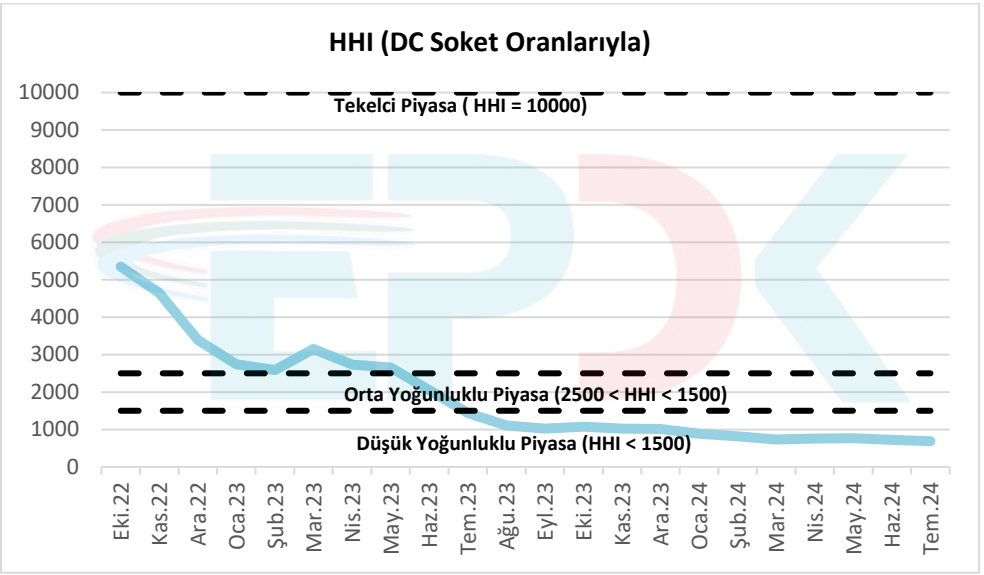
Not: Şarj Hizmeti Yönetmeliği kapsamında ticari faaliyet yürütülen şarj soketlerine ilişkin verilerdir.







Not: *HHI, pazardaki teşebbüslerin paylarının karelerinin toplamı alınarak hesaplanmaktadır. Bu endeks, pazardaki büyük paya sahip teşebbüslere daha fazla ağırlık vermektedir. HHI ölçümü tek teşebbüslü (tekel) bir piyasada 10.000; iki eşit büyüklükte teşebbüsün bulunduğu bir duopolde ise 5.000 olacaktır.*
